Resident of the Month

Alfred Medina was born on November 16th in Rosenberg, Texas. Alfred has worn many hats throughout his life, with a standout career in commercial construction. His most cherished memories include helping build iconic structures like Shell and other landmarks in downtown Houston. Beyond his impressive career, Alfred is a proud father to Donna & Michelle. When he's not reminiscing about his construction days, he finds joy in painting, using it as a means to express himself. We are thrilled to share Alfred's rich history.
