## Resident of the Month

### Lester (Les) Sutton

We are proud to recognize Lester Sutton as our Resident of the Month. Born on January 6, 1937, on a Texas farm during the Great Depression, Les took over running the family farm at just 13 years old after his father's passing. After graduating high school in 1955, he moved to Houston, worked for Continental Oil Company

(Conoco), and attended the University of Houston at night. On May 28, 1960, he married Marjory Osborne in the afternoon and graduated that evening. During his time at Conoco, Les advanced to Vice President, working in several cities before transitioning in 1970 to lead barge transportation companies in Minneapolis. Over the next 23 years, he served as president of three companies and later worked as a consultant in river transportation. He also contributed to early DNA ancestry research. Les and Marjory, who lead Bible study in our community, have a son, Mark, an electrical engineer, and a daughter, Karen, a Presbyterian minister. They cherish their three grandsons and great-granddaughter. We are honored to have Les in our community and celebrate his incredible journey. Congratulations!

Q: What falls often but never gets hurt?  
A: Rain.

Just Peachy

When early American settlers had a craving for peach pie, they “cobbled” together biscuit ingredients over a fruity filling, resulting in a tasty treat with a crust that resembled a cobblestone street. Nowadays, peach cobbler is a traditional Southern dessert that’s enjoyed all over the country. Dig into a serving on April 13, National Peach Cobbler Day.

## \*\*EMPLOYEE SPOTLIGHT\*\*

We are proud to recognize La Taisha Mitchell as our Employee of the Month! Born on April 25th, La Taisha began her journey in caregiving in 2022, inspired by her experience caring for close family members. Her passion for helping others led her to become a dedicated Resident Assistant, where she brings warmth, compassion, and exceptional care to our residents every day. In addition to her role, La Taisha is a certified phlebotomist and is eager to continue growing in the medical field. She finds joy in spending time with residents and making a positive impact in their lives.

Beyond work, La Taisha enjoys cooking in her free time, and her caring nature shines through in all that she does. Her favorite color is light pink, and when it comes to sweets, she loves anything sour. We are grateful to have La Taisha as part of our team and appreciate her dedication, kindness, and commitment to excellence. Congratulations!
