## Resident of the Month

### Alfred Wayne Roberson

Born on May 17, 1940, in Houston, Texas, Alfred Wayne Roberson was a red-headed baby with a bright future. He attended the University of Houston on a tennis scholarship before being drafted into the Army, where he served as a company clerk. In June 1963, he married the love of his life, Ellen Williams. This year, they celebrate 62 wonderful years of marriage.

Wayne worked his way up in the banking world—from repo man to bank president—after attending LSU Banking School. He and Ellen raised two daughters, Amy and Mary Ellen. Although they lost Amy to cancer in 2012, family remains his greatest joy.

After banking, Wayne stayed active—working in a train store and eventually running his own business. He loved golf, card games, and never met a job he didn't enjoy. He is known for his easygoing nature, quick wit, and the kind smile he shares with everyone he meets.

Today, he cherishes time with his daughter, Mary Ellen, son-in-law, Dolan, four grandsons, and one precious great-granddaughter, Isabella.

Wayne's life is a testament to hard work, love, and finding joy in every chapter.

## Friendly Reminder:

If you need maintenance work, please stop by the front desk and put in your work order. Please ensure your loved ones have an ample supply of toiletries, toilet paper and incontinence products.

## Take a Bubble Break

The simple summertime activity of blowing soap bubbles can actually be an exercise in mindfulness! Controlling your breathing as you inhale and exhale helps relieve tension. Focusing on watching the bubbles float away can clear your mind of worries and bring back happy, nostalgic memories.
